

About this Program

For more than 10 years, The Faurote Group has been providing customized leadership development and management training programs, consulting, and coaching services to hundreds of clients across the country.

The Faurote Group would like to show you how we can help you and your organization by providing you with this complimentary program so you can see for yourself what we do. We have a unique, interactive approach to training that is received well by all audiences.

If you, or another Training Decision Maker in your organization, would like to attend our complimentary workshop, please RSVP by **Wednesday, November 25** so we can hold your seat.

We look forward to seeing you at our program and helping you get the best of yourself everyday!

About The Faurote Group

The Faurote Group is a Human Capital Consulting, Training, and Coaching Firm. Our mission is aligned with bringing quality culture to an organization and quality performance to individuals within.

Recognizing there are no 'cookie cutter' methods to designing programs of success, ***The Faurote Group*** listens carefully to determine the needs of a specific organization and then carefully customizes programs leading to immediate and sustainable positive results. Our programs and workshops are designed to connect with the individual...leader and follower, alike. Your organization benefits by having enthusiastic employees capable of delivering greater value to both internal and external clients.

Is your organization reaching its potential? Are your employees reaching their potential? That is what ***The Faurote Group*** is all about. We help organizations and individuals become the best they can become.

We bring to the client a combination of business knowledge, life experience, and professionalism that says to program participants, "I've been there." The presentation team projects the same energy, enthusiasm and commitment to excellence as the Firm's Principals.

Getting the Best of Yourself & Others Everyday

In today's competitive environment, discovering and unleashing potential in yourself and your co-workers is a must. Each of us has unique skills, talents, strengths, interests, motivators and values. The key to reaching the pinnacle of success in life, both personally and professionally, is to identify and understand these and other factors and make them part of every day living.

In this program we will help you understand how to be more effective at leading yourself and, ultimately, others. It is our belief that before you can effectively lead others you must first be able to lead yourself.

Once learned, this process can be translated into a powerful tool to help coach and guide others to be their very best.

Program Objectives

- ▶ Guide you through steps to discovering your personal blueprint to success—LifePrint to Living and Leading™
- ▶ Draft a strategy to begin building your Lifeprint™
- ▶ Identify the traits and foundation of leadership and understand the myths around leadership
- ▶ Introduce the concept of emotional intelligence and the connection to personal leadership
- ▶ Understand the importance and power of career and life planning

Benefits of the Workshop

- ▶ Identifying steps you can take immediately to improve your leadership skills
- ▶ Creating an action plan for becoming a better leader
- ▶ Increasing self-awareness and understanding
- ▶ Creating the life you have only dreamed about
- ▶ Prioritizing what is important in your life and focusing intentionally on those areas

About the Instructors

Denny Faurote is President of The Faurote Group. He is a professional trainer, keynote speaker, and consultant.

Denny's creed is to help others succeed in the challenges of life. Denny provides a unique perspective combining the business savvy of an accounting career and CPA with the human touch. He has successfully developed and delivered hundreds of programs to thousands of people including business professionals, educators, and students from around the world. The programs have been extremely successful and definitely give the individuals a unique perspective of leadership and themselves. His 23 years of experience and diverse background allow him to better understand all audiences and connect on a personal level.

Sarah Turner is a Principal of The Faurote Group where she has served as a professional trainer and consultant for the past 6 years. She is also an executive coach and enjoys assisting others in determining their goals and desires and helping to achieve them. Sarah's business experience and enthusiastic attitude contribute to her success. She is a CPA who worked for 5 years at Deloitte. While there she concentrated on client service and was heavily involved in the recruiting and training process of new employees. In addition, Sarah was also a controller for a local financial services company in Indianapolis. Her background and experience help her in providing excellent service in developing people and helping companies increase their productivity and growth.
